5. --

6. Business arising from the minutes

6.1 Timing: (Scott)

- Clarifying additional fees; will send out a revised report later this week. Currently, the cheapest is Running Goat but not the most practical, second is Race Results, costwise, and is more practical. Will do the assessment on cost, with summary for all to consider. Implementation within 30 days (software and hardware) for training. We technically have RaceRoster until end of 2024 season but we can pull back.
- For all RD's; there's shipping costs if we can't get it down (ie. Joe) ourselves; between \$200-\$400 for transportation costs to and from Kingston. Need to consider renting this out to other local events to manage costs. Bryan Lambert offered to give us his opinion. Is anyone doing reusable bibs – can provide bibs ourselves or they provide them for a cost. Can we do reusable ankle bibs (like tri ankle)? More to come

6.2 RD Manual update: (Scott & Robby)

- No update from Scott
- Table until after LRW, ready for 2025 Season
- Scott will have a Gantt chart to review and adjust

6.4 Howe Island Hustle: (Robby)

- Lana got race live and website is current
- Marketing is out, already circulating
- Joe is on timing; RaceRoster to do bibs and timing chips – Joe to bring down Saturday morning
- PJ tried to register and there is no 80+ category (there historically isn't one)

7. New Business

- Should we add 80+ as new category, Robby moves to add 80+ age category, Scott seconds No objections. Robby to make more age category medals. John already created Trackie category

8. Standing reports

Limestone Race Weekend: (Joe)

- Registration on Trackie – on track from this time last year
- Ordered shirts already
- Need volunteers – course marshalls
- Need to revisit St. John's Ambulance – Joe to reach out to SLC for staff
- Get building at McDonald Park – do we need portpotties – YES
- Race Pacers – names, BOD and info to go to Joe (they get a bib and shirt)
- Money from last year goes to both charities (incorrect on poster)

Start2Finish :

- Nothing

Treasurer: Paul

- Nothing new to report
- The Bank needs both of the signers to add an additional signer

Membership: (Christina)

Currently at 261

Statistician: (John)

- Clarify if Trackie can create a specific column for age as of Jan.1

Website: (Robby)

- Updating website as needed, information
- Tackle a page – revise it and send it to Robby?

Sponsorship:

- Nothing new to update, got a few for Lana's race

Adjournment: motioned at 7:53 pm by Joe, seconded by Robby. Motion passes.

Next meeting: Monday May 13th, 2024 7:00pm at Riverhead
